## Course Policy

- **Check regularly the e-learning website**
- **Office hours:** Wednesday 15:00–16:00, preferably please book via email (see below for email policy)
- **email:** please begin the **subject** with [STD-25-26] otherwise your email may get lost

## Textbook and other materials (slides)

### Textbook for the first part

The textbook for the first part of the course is

Olia Kanevskaia *The Law and Practice of Global ICT Standardization*, Cambridge International Trade and Economic Law (Cambridge: Cambridge University Press, 2023)

<https://doi.org/10.1017/9781009300551>

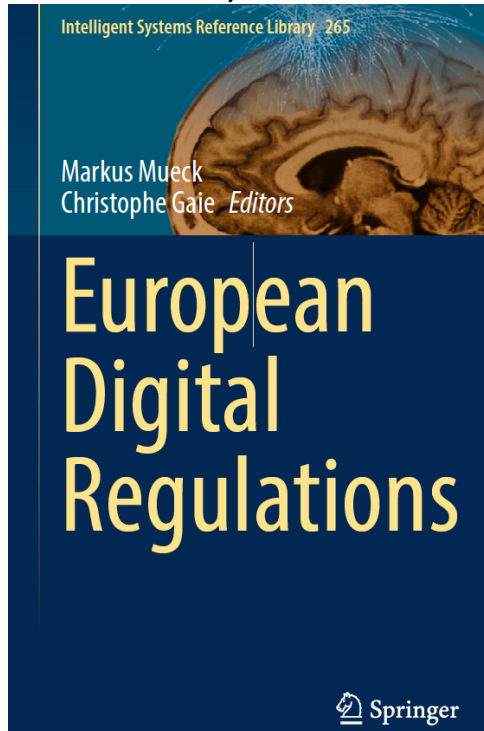

## Textbook for the second part

The textbook for the second part of the course is

Markus Mueck (Editor), Christophe Gaie (Editor) *European Digital Regulations*, Springer, 2025 ,

<https://doi.org/10.1007/978-3-031-80809-8>.

The Book has been freely accessible for UNIPD students since published in February 2025

## Slides shown during lesson, notes and lessons

It is considered part of the program the material shown during the lessons, including my lesson notes and slides. Notes and slides providing material which can not be found on the book (including the links in the slides) are provided in e-learning website of the course.

## Other useful material

- “*Understanding ICT Standardization: principles and practice*” by Prof. Nizar Abdelkaf, Prof. Rudi Bekkers, Prof. Raffaele Bolla, Dr. Alejandro Rodriguez-Ascaso, Dr. Michelle Wetterwald, published by ETSI, available at [this website](#)
- For those who have not taken the EU law course (or they might need a quick reference) European Commission: Directorate-General for Communication and Borchardt, K., “*The ABC of EU law*”, Publications Office of the European Union, 2023, available at [this website](#)

## Exam

### Exam Policy

- Closed books, no communications to/from outside, phones and other communications equipment in your bag, bag not close to you
- 33 closed questions each with 4 possible answers

- 90 minutes
  - Correct answer: +1
  - Omitted answer: 0
  - Wrong answer: -1/3
- 32 and 33 points result in 30 cum laude
- 30 and 31 points result in 30

## How to take the exam

Please check Uniweb for the dates. The provisional dates are

Call 1	20/01/2026 11:00 Room TBD
Call 2	10/02/2026 11:00 Room TBD

## Material for the exam

In the exam the questions are related to

1. The textbook for the first part of the course  
 Olia Kanevskaia *The Law and Practice of Global ICT Standardization*, Cambridge International Trade and Economic Law (Cambridge: Cambridge University Press, 2023)  
<https://doi.org/10.1017/9781009300551>  
 some parts maybe skipped and will be adequately pointed out
2. The textbook for the second part of the course is  
 Markus Mueck (Editor), Christophe Gaie (Editor) *European Digital Regulations*, Springer, 2025 ,  
<https://doi.org/10.1007/978-3-031-80809-8>.  
 some parts maybe skipped and will be adequately pointed out
3. the material shown during the lessons, including Chapter 4 of lesson notes . Notes and slides providing material which can not be found on the book (including the links in the slides) are provided in e-learning website of the course.

## Provisional timetable of the lessons
