https://datatracker.ietf.org/doc/rfc4677/

Pronounced "dow", Tao is the basic principle behind the teachings of Lao-tse, a Chinese master. Its familiar symbol is the black-and- white yin-yang circle. Taoism conceives the universe as a single organism, and human beings as interdependent parts of a cosmic whole. Tao is sometimes translated "the way", but according to Taoist philosophy the true meaning of the word cannot be expressed in words.
